BATTLEFIELDS TRIP 2020

Please note that there are still places on the above trip. This trip is an extremely worthwhile trip to go on. Not only do you get an understanding of how many men sacrificed their lives during WWI but you get to experience some French and Belgian culture. We visit places such as the Bayernwald German Trenches, Langemarck German Cemetery (where you get an idea of how the 'losing' side were treated after the war), the Memorial Museum in Passchendaele where you can see what life was like in the trenches, we see the 'underground war' at the Wellington Quarry as well as many more. This trip is open to any of the current S3, S4 and S5 who would like to go. Have a look at the Hawick High News Facebook page to see some photos from our last trip. Please see Mrs Riddell in D4 if this is something you think you might be interested in.

Thanks Mrs Riddell

CAREERS

Just to remind all S4-6 pupils that there is a Careers Section in the library that has current local job vacancies so if anyone is looking to leave school and start work this would be a good place to start your job search. Each printed vacancy has the website it is advertised on at the bottom of the page so you can search for it online. There are some great opportunities from Modern Apprenticeships to full-time jobs. If you see any you like sound of then come and see your Careers Advisers in the library and we can help with CVs, applications and mock interviews.
